ADM-5.4

MEMORANDUM FOR: Chief, Logistics Services Division/OL
ATTENTION : Telephone Branch
THROUGH : Physical Security Division/OS
SUBJECT : Temporary Telephone Service - 3E09

1. It is requested that two (2) telephones be installed in Room 3E09 as shown on the attached prints and be equipped with the following services:

- A. Two (2) new black lines in rotary
- B. One (1) new red line
- C. Hold Button

Room 3E09 is a carpeted area and one (1) new telephone outlet will have to be drilled.

2. This telephone service will be utilized by two high-ranking scientists recently assigned to Dr. Albert D. Wheelon's immediate staff. Therefore, it is requested that this work be accomplished after normal working hours and if possible be completed on or before 6 March 1964.
